Thackeray Lodge

Thackeray Lodge is a beautiful development of 37 one and two bedroom apartments exclusively for the over 60s ideally located in the heart of Fareham's vibrant town centre.

Fareham is nestled between the cities of Southampton and Portsmouth, with excellent travel connections that can get you to Portsmouth in just 10 minutes by train. Thackeray Lodge is well located just off the high street which is made up of characterful historical buildings and a modern pedestrianised central shopping area, including Fareham Shopping Centre filled with high street brands, cafés and restaurants to explore. An independent farmers market is held on the first Saturday of every month selling freshly grown and local produce. Fareham Leisure Centre and Cams Hall Golf Club are also situated close by.

Situated on a picturesque coastline, just north-west of Portsmouth Harbour, Fareham provides a rich and varied heritage of both maritime and national history, with something for everyone. The Town Quay is home to old mills and waterside buildings, whilst the estuary itself is a haven for seabirds and other wildlife. Within the town lies peaceful spots perfect for leisurely walks and picnics such as the nearby Garden of Reflection, Park Lane Recreation Ground and Portchester Castle which is situated to the east of Fareham.

The Lodge Manager is on hand throughout the day to support the Residents and keep the development in perfect shape as well as arranging many regular events in the Residents' Lounge from coffee mornings to games afternoons.

A Guest Suite is available for your friends and family to stay in. In addition, you are entitled to use of the Guest Suites at all Churchill Living developments across the country. Prices are available from the Lodge Manager.

Thackeray Lodge has been designed with safety and security at the forefront. All apartments have an emergency Careline system installed, monitored by the onsite Lodge Manager during the day and 24 hours, 365 days a year by the Careline team. There are integrated intruder alarms, secure video entry systems and sophisticated fire and smoke detection systems throughout both the apartments and communal areas, providing unrivalled peace of mind.
