William Lodge

William Lodge is a delightful development of 26 one and two bedroom apartments enjoying a stunning location on the banks of the River Avon in the historic market town of Malmesbury. Encircled by the River Avon on the edge of the Cotswolds, Malmesbury is said to be the oldest continually inhabited town in England. The market town is called the "Queen of the Hilltop Towns" and is steeped in history spanning over 1000 years.

William Lodge is well located for the High Street with independent retailers and markets. At the heart of the town is the elaborately engraved 15th century Market Cross, one of the best preserved of its kind in the country. The town's medieval streets with their old Courtroom, shops and Inns are dominated by the beautiful seventh century Abbey with the Gardens often being used for concerts and events during the summer.

Malmesbury is home to many annual musical, cultural and food events and festivals. Athelstan Museum, named after the first 'King of all England' tells the history of the town and is home to a collection of artefacts and regular exhibitions and events.

Malmesbury is perfectly located to enjoy the Georgian Spa City of Bath with its classical architecture, Roman baths, majestic Abbey and shopping facilities. The nearby Royal Gardens at Highgrove are an extraordinary collection of gardens, created by HRH The Prince of Wales. Further south is the village of Lacock with its picturesque streets, historic buildings, Abbey and Country House.

William Lodge's manager is on hand throughout the day to support the owners and keep the development in perfect shape. The manager assists in arranging many regular events in the Owners' Lounge from coffee mornings to games afternoons.

A Guest Suite is available for your friends and family to stay in. In addition, you are entitled to use of the Guest Suites at all Churchill Living developments across the country. Prices are available from the Lodge Manager.

William Lodge has been designed with safety and security at the forefront. The apartment has an emergency Careline system installed, monitored by the onsite Lodge Manager during the day and 24 hours, 365 days a year by the Careline team. A Careline integrated intruder alarm, secure video entry system and sophisticated fire and smoke detection systems throughout both the apartment and communal areas provide unrivalled peace of mind.

William Lodge is managed by the award winning Churchill Estates Management, working closely with Churchill Living and Churchill Sales & Lettings to maintain the highest standards of maintenance and service for every lodge and owner.

William Lodge requires at least one apartment resident to be over the age of 60 with any second resident over the age of 55.
