Tatterton Lodge

Tatterton Lodge is a delightful development of 55 one and two bedroom apartments located in the charming historic town of Wetherby, centrally located between Leeds, York and Harrogate.

Wetherby's rich heritage owes much to its location being a half way staging post between London and Edinburgh on the old Great North Road, which used to run directly through the town; many of the coaching Inns established during that time are still there to enjoy today.

Having been granted a Royal Charter in 1240, the town has always been a popular place to live and visit. The 13th century medieval bridge remains a prominent feature of the town and there are many delightful riverside walks and the Turner Trail to enjoy a stroll.

Nestling in the heart of Yorkshire's Golden Triangle of Leeds, York and Harrogate, Wetherby is ideally located for trips to these major cities to visit the shops and explore the many visitor attractions or enjoy days out to the Yorkshire Dales, the North Yorkshire Moors and the East coast. Wetherby racecourse, Harewood House and the delightful parks of Stockeld and Roundhay are nearby and the town centre has various shops, restaurants and eateries.

Wetherby is well served by regular public bus services with bus stops ideally located just outside Tatterton Lodge; in addition the main bus station is located in the market place. The town is also within easy reach of major road networks and served by Leeds Railway Station and Leeds Bradford International Airport catering for a variety of journeys.

Tatterton Lodge's manager is on hand throughout the day to support the Owners and keep the development in perfect shape as well as arranging events such as movie nights to strawberry and cream afternoons, board games, music evenings, fitness classes and birthday celebrations.

A Guest Suite is available for your friends and family to stay in. In addition, you are entitled to use of the Guest Suites at all Churchill Living developments across the country. Prices are available from the Lodge Manager.

Tatterton Lodge has been designed with safety and security at the forefront, all apartments and communal areas have an emergency Careline system installed, monitored by the onsite Lodge Manager during the day and 24 hours, 365 days a year by the Careline team. A Careline integrated intruder alarm, secure video entry system and sophisticated fire and smoke detection systems throughout both the apartment and communal areas provide unrivalled peace of mind.

Tatterton Lodge is managed by the award winning Churchill Estates Management, working closely with Churchill Living and Churchill Sales & Lettings to maintain the highest standards of maintenance and service for every lodge and owner.

Tatterton Lodge requires at least one apartment resident to be over the age of 60 with any second resident over the age of 55.
